

Guests travelling on a Whitsunday Rent A Yacht Bareboat have the opportunity to do an Introductory or a Certified Scuba Dive while sailing around the Whitsunday Islands.

The Scuba Dive Service is offered by 'Tornado Dive' which is a rendezvous service.

The Dives will take place in the general area of North Hook Island or Blue Pearl Bay off Hayman Island or the Langford Reef Area.

These locations offer amazing fish life and the soft coral reefs grow right from the edge of the islands.
