To Whom it May Concern

Letter of Support for Southern Cross Sailing Adventures Pty Ltd

This letter is to endorse and support the professional partnership that we have held with Southern Cross Sailing Adventures Pty Ltd since 1998.

Southern Cross Sailing Adventures Pty Ltd have been an integral supplier and supporter of 'Backflip', one of SU Qld's premier Schoolies events for school leavers. This partnership began in 1998 with 22 school leavers and leaders and in 2010 we will partner again to see Southern Cross Sailing Adventures supplying 260 school leavers and leaders a week of drug and alcohol free fun and adventure for 7 days on several yachts.

Southern Cross Sailing Adventures Pty Ltd operate with a high degree of integrity and professionalism in all that they do for our organization. Their staff and crew treat all participants of this event with great care and dignity and go over and above to give everyone the most memorable time. As our event is drug and alcohol free each crew member agrees to adhere to these same restrictions while they are a part of this event which is great appreciated by our organization.

The other area that is greatly appreciated is in their high level of Risk Management and Emergency Response procedures and in instances where our participants or leaders have become ill whilst out on the water, they have put these procedures in place very quickly and once again with a high level of professionalism and care.

SU Qld's greatly supports Southern Cross Sailing Adventures Pty Ltd and their staff team and endorse them as a company to do business with.

Yours sincerely,

A handwritten signature in black ink that reads 'MA Tognolini'.

Margaret Tognolini
